Big Decker Blvd. News

Taco Bell will be building a new restaurant at the Corner of Decker Blvd. and N. Trenholm Road. Richland County will be taking down the old boarded up restaurant on the property probably by the end of the month. Ground breaking on the new building could be as early as January. The Taco Ball folks are eager to work with the County to do gateway signage at the Corner. This is wonderful news as we continue our efforts to revitalize this corridor.
